FIRST IN RESULTS TO ADVERTISERS

NUMBER 51

BURGESS CO. WINS 3rd ARMY-NAVY "E"

Assistant Sec'y of War Commends Company on Work

Notification of Honor is Received by Antioch Plant

I. C. Blake, general manager of the Burgess Battery company plant at Antioch, was notified Tuesday of the third award of an Army and Navy "E" to the company for general excellence in the production of war material.

The award entitles the company to place a second star on its "E" flag. Plants producing war supplies are reconsidered every six months for the privilege of continuing to fly the "E" flag.

The Antioch branch, established here this spring in quarters vacated by the Thordarson company, is believed to have had a creditable part in helping to win the latest "E" for Burgess.

The letter appraising the company of the award is signed by Robert E. Patterson, undersecretary of war, and is as follows:
War Department
Office of the Under Secretary
Washington, D. C.

21 July 1945

"To the Men and Women
Of the United States Battery Division
Burgess Battery Company
Freeport, Illinois

"I am pleased to inform you that you have won for the third time the Army-Navy Production award for high achievement in the production of war material.

"In maintaining the fine record which first brought you distinction, you have set an inspiring example for your fellow American on the production front.

"This second renewal adds a second white star to your Army-Navy Production Award flag, and stands as a symbol of your great and continuing contribution to the cause of freedom."

Camp G. I. Joe Dedicated Sunday at Wilmet, Wis.

Nearly 400 persons attended dedication ceremonies and the formal raising of the U. S. flag at Camp G. I. Joe on Riverside farm, Wilmet, Sunday afternoon.

Representatives of the Antioch American Legion post, the Veterans of Foreign Wars and the American Legion post of Kenosha, the Waukegan Legion post and Chicago and Wilmet posts were present and marched in formation to the grounds surrounding the flag staff.

Morris Nathanson, state vice-commander of the Jewish War veterans for the state of Illinois, acted as master of ceremonies. He called on Mr. and Mrs. Louis Shudnow, owners of Riverside, and Judge Frank Shudnow, Chicago, for brief talks preceding those given by the main speakers.

Dr. M. London of the Veterans' Hospital administration explained the rehabilitation of wounded soldiers in his talk.

Robert Casey, foreign war correspondent for the Chicago Daily News, was the principal speaker of the day.

Camp G. I. Joe has been erected by Louis Shudnow as a weekend recreational home for convalescent service men from Hines, Vaughn, Gardner and Great Lakes hospitals. Accommodations for 100 men will be ready for weekend occupancy in two weeks, Shudnow announces.

City Briefs

Frank Kennedy, Jr., is assisting at the Antioch post office, having entered on his duties there Monday of last week. He was for a time previously employed at the Libertyville post office.

Cpl. Sammy Klass has returned to duty at Walla Walla, Wash., after spending a few days here with his parents, Mr. and Mrs. Otto S. Klass, and sister, Doris.

James Winbolt of 240 South boulevard, Oak Park, is reported to have caught a 13-pound northern pike at Harry W. Hasty's place on Bluff lake Tuesday evening.

Truck Knocks Over Pumps, Gas Catches Fire; Damages, \$500

Its first fire call in nearly two months was answered by the Antioch fire department Tuesday at 1 a. m. when a truck struck two computing gasoline pumps at Sis and Lee's Service station, Highways 41 and 173, and gasoline spilled from the pumps caught fire.

Chemicals were used to extinguish the blaze. Damages were estimated by Fire Chief L. R. Van Patten at approximately \$500.

The station is owned by William Murrie, Russell, and operated by B. W. Lemerone.

Up to the time of this alarm, the fire department had not been called out since early in June.

Haling Resort Damaged \$2,000 Worth by Fire

Antioch Department Extinguishes Blaze after 2 Hours' Work

Damages in excess of \$2,000 resulted from a fire in the upper story of living quarters at the Haling resort on Grass lake last evening.

The cause of the fire is as yet unknown, but it is believed to have been due probably to a short circuit in the electrical system.

Members of the family were downstairs at the time the fire started and were unaware of the blaze until a neighbor entered, saying that something nearby must be on fire, since smoke was billowing out into the orchard.

Hurrying outside, they discovered that the upper part of the hotel building and family living quarters was on fire.

An alarm was turned in at 6:24 p. m. for the Antioch fire department. Engine No. 2 and the tank truck answered the summons. The Antioch Rescue squad, which accompanies the fire department on calls outside the village limits, also responded.

The fire was extinguished by 8:30, the damage being confined mostly to the attic and upstairs living quarters.

Charles Haling, proprietor, and an insurance representative were engaged this morning in making a comprehensive survey of the damage and in making sure that no electrical wires had been left by the blaze in such a condition as would lead to another outbreak of the fire.

Damaged 7 Years Ago
The Haling resort was badly damaged by fire seven years ago.

Rumors that the fire had been possibly due to the building having been struck by lightning the previous evening were stated by the Haling family to be incorrect.

The bar had been struck by lightning three weeks previously, it was revealed. The bolt had knocked a hole into one of the walls at that time.

Wednesday, Aug. 1, has been proclaimed Army Air Forces Day by Gov. Dwight H. Green of Illinois. The date marks the thirty-eighth anniversary of the corps.

The daily game limit for rabbits has been increased from 10 to 15 and the possession limit from 20 to 45 in bills passed by the Illinois 64th General assembly. The possession limit of squirrels is increased from 10 to 15.

The last day for hunting fur-bearing animals has been changed from Jan. 31 to Jan. 15, except that in the northern part of the state foxes may be taken at any time.

The provisions requiring persons having game in their possession to file with the department of conservation a statement that it was legally taken is repealed, as is also the law requiring locker plants and clubs to keep a record of all game birds in storage.

The fee for a hunting license is be-

MORE THAN ENOUGH P. W.'s TO GO AROUND, DALE BARNSTABLE REPORTS

Sgt. Dale Barnstable, Combat Mortar Squad leader of Company "C" attached to the 71st Infantry Division sends home this clipping from the Stars and Stripes paper.

7 PWs CAPTURED FOR EACH MAN IN 'FARTHEST EAST' 71st.

With 71st Div. of the 3rd Army, June 24—

For every man in the 71st Inf. Division, commanded by Maj. Gen. Willard G. Wyman, seven German prisoners of war were taken by the division during its short but action-filled combat history of 59 days over 775 miles in France, Germany and Austria.

The "Farthest"—East 71st, which penetrated farther into German-held territory than any other western allied ground force during the war, captured a total of 107,406 prisoners between March 12 and the close of the war. Of this number, 106,926 were taken in the last 38 days before V-E Day, after the 71st crossed the Rhine.

Between April 1st and May 8—the daily average bag was 2,813. Represented in the total catch were one army group, two armies, eight corps, 69 divisions and 713 regiments, battalions and various assorted units.

A roster of the organizations from which these prisoners came looks like a list of all the units in the German Army. The total included more than 20 general officers, the biggest catch being Gen. Lothar von Rendulic, a full general in command of the German Army Group South, taken by the 71st Recon. Troop. Rendulic was taken to the 20th Corps, where arrangements were made for the surrender of the countless thousands of troops under his command. Part of this army group, some 60,000 to 70,000 was turned over to the 71st.

RAILROADS STILL CALL FOR MORE WORKERS

The first group of 4,000 soldiers to be furloughed by the Army for work on the Western railroads during the redeployment emergency program moved into Chicago last week to help speed troops and equipment to the South Pacific. Given 30-day work furloughs, the GIs were assigned to the Santa Fe and Burlington shops.

Meantime, Col. I. Sewell Morris, Chief of the Railroad Urgency Committee, stressed the need for 65,000 additional civilian employees to carry out the vital war program of shifting troops and supplies from the European theatre to the Pacific.

Applicants for railroad jobs may apply to the Railroad Retirement Board or any United States Employment Office.

ROBERT GROSS IS PROMOTED TO LIEUT.

Mr. and Mrs. Fred Gross have received word of the promotion of their son, Robert, to lieutenant.

Bob, who has been overseas for more than a year in the European theater of operations, has been attending a U. S. army officer candidate school in France.

STUART GOOD IS HONORED BY FRIENDS

Twenty friends of Stuart Good, who is awaiting orders to report for duty with the navy, gathered at the home of Kenneth Krueger, Lake Catherine, last Thursday evening to hold a farewell party in his honor.

FIFTH ARMY FEAT IN BRIDGING PO RIVER

The following item has been received concerning one of the feats of the Fifth army, in which Pfc. Raymond Hills, son of Mr. and Mrs. Walter K. Hills, served as a member of the 10th Mountain Division—

With the 5th Army, June 14—Generals directed traffic, and officers drove trucks.

In one of the now-it-can-be-told stories, it was disclosed today how the 19th Engineer Combat group worked day and night for 20 hours to finish the longest floating trestleway in Italy over the Po river, and let the 5th Army pour across in the drive north to the Alps.

The first bridge, built near San Benedetto to support the racing 10th

Plane Collision Causes Death of Lt. Knickelbein

Veteran of 8th AAF Dies in Accident Over England

Bearing an impact of especial sadness was a message from the War department last Friday informing relatives of First Lt. Edward A. Knickelbein, 22, of his death as the result of an airplane collision over England July 3.

Lt. Knickelbein, who piloted a P-51 Mustang, was a member of the 353rd Fighter group, top-scoring group of the 66th Fighter wing, Eighth Air Force.

His group held a record of 745 German planes destroyed, 340 of them on bomber escort missions to targets in Germany as part of the heaviest defensive screen against enemy air attack. The remainder were dive-bombed and strafed during attacks against Nazi airdromes. The unit had received two presidential citations.

Lt. Knickelbein was on record as having shot down three German planes in the air, as well as having damaged one jet plane and destroyed six German planes on the ground. His plane was named "Hi Sugar."

Was Honored Recently

Only this Monday morning a news release was received from an Eighth Air force fighter station in England telling of the award of an Oak Leaf cluster to an Air medal received earlier by the lieutenant.

The award was made, the article stated, "for meritorious achievement while serving as a fighter pilot during an extended period of aerial combat."

Martin Quinlan, Chicago, Drowns at Cross Lake

Rescue Squad Recovers Body After 45-Minute Search

Efforts on the part of the Antioch Rescue squad to revive Martin Quinlan, 7230 S. Halsted street, Chicago, whose body was recovered from Cross lake after a 45-minute search Monday afternoon, proved unsuccessful. Quinlan, who was 36, and a stepson and nephew had been swimming around a raft about yards from shore.

Quinlan dived from the raft to retrieve an inner tube that was being used for floating in the water, and failed to return to the surface. An attempt was made by those in the vicinity to locate the body, without success, and a call was put in for the squad at 1:15.

A cold spring is said to feed the lake near the spot where the raft was located, and squad members stated that Quinlan may have been seized with cramps.

An inquest was conducted by Kenosha county authorities, after which the Strang Funeral home of Antioch had charge of removal of the body to Chicago, where services were to be held.

Bristol Farmer Injured

Carl Wuaster, Bristol township farmer who was feared to have sustained fractures of the spine when he fell backward from the top of a load of hay late Tuesday afternoon, was moved to St. Therese hospital by the squad, which was summoned at 6:14 p. m. The squad was called by Dr. W. F. Kraemer, the physician in charge, to assist in the removal, which had to be made with great care because of the nature of Wuaster's injuries. A rigid "board" stretcher was used.

Members of the family were commended for their discretion in refraining from attempting to move Wuaster pending the arrival of the physician and of the squad.

Has Broken Hip

Mrs. Agnes Dunn, 70, suffered a broken hip in a fall in the kitchen of her apartment in the post office building Monday morning at 9:10 o'clock. She was removed to Victory hospital in Waukegan by the Rescue

(Continued on page 5)

Returning G. I.s to be Welcomed by Sinclair

"When returning G. I.s appear at Sinclair Refining company sales offices throughout the country, they'll get considerably more than the usual 'warm welcome,'" Joe Horton, local agent for the company, revealed today, stating that a detailed program looking toward reabsorption of veterans in the Sinclair sales organization has been prepared.

"The program," he said, "embraces the following broad elements:
(1) Helping the returning veteran to 'find himself.'"

(2) Placement of the veteran in a position to capitalize on his war-acquired experience and special skills.

(3) A training program designed as a refresher course to bring veterans up-to-date on developments and changes that have occurred during the war years.

"In a letter dated Feb. 26, 1945, to the more than 3,000 Sinclair employees in the armed forces, H. F. Sinclair, chairman of the board of the Sinclair companies, stated his intention upon their return.

"Of the replies to Sinclair's letter, more than 79 percent indicate a desire on the part of the veteran to return to his old job."

F. A. Swenson Again Head of Antioch Legion

First Commander Re-Elected Since Post Was Chartered

For the first time since Antioch Legion Post No. 748 was chartered in 1926, a commander was re-elected in office when F. A. Swenson was chosen at a meeting last Thursday evening in the Legion home to succeed himself for another year.

The chairman of the nominating committee, John L. Horan, had requested that the comrades make this selection, so as to carry over the post's program for another year while the war is in progress and at the same time to complete the recent purchase of the new hall for the Legion and auxiliary.

Everett Hatfield, Round Lake, was chosen senior vice-commander; Joseph Sheahan, junior vice-commander; V. J. Keeney, finance officer; J. Harry Messing, chaplain; Carl Johnson, Lake Villa, sergeant-at-arms; Walter K. Hills, bogardus officer; Warren Edwards, assistant bogardus officer.

Official delegates will be Commander Swenson, the adjutant appointed, and James Waters; alternates, Charles Cermak, Roma Cable, Round Lake, and Edward Frazier.

Of the 13 officers elected, five were World War II veterans. The Antioch post is closing the year with a membership of 142.

Tenth District Results
Delegates from the post attending the Tenth district meeting at Fox Lake on Friday were somewhat disappointed to learn that the candidate from the Antioch post, John L. Horan, who was "in line" for the office of district commander could not accept the nomination. It was only at a late date that it was discovered he would be disqualified by a ruling in the Legion constitution which in part reads that "any member of the Legion who shall seek an elective office of the legion shall not hold any elective public office which has attached any remuneration."

Since Horan holds the elective office of tax collector for Antioch township, it was decided instead to move the junior vice-commander of the district, Joseph Nemanich of North Chicago, up to the commandship. Gage Stevens, Waukegan, became senior vice-commander; George Bowman, junior vice-commander; Fred Schusted, Mundelein, sergeant-at-arms; John Casperson, (outgoing commander), of Lake Forest, Nemanich, Clarence Boyd (1944 commander), Libertyville, were named delegates to the national convention, with Miller Schneider, Highland Park, Albert Simonsen, Gurnee, and Horan as alternates.

The district convention will be held at Gurnee all day on Sunday, Aug. 12—this being a "token convention" in place of the regular Illinois department convention, called off for this year because of transportation difficulties.

Big Crowd is Expected Sun. at Channel L.

Antioch Lions Will be Hosts at Gala Afternoon, Evening

The Antioch Lions club is all set to be host to a large crowd of spectators from nearby areas at the boat races to be held on Channel lake Sunday under its auspices.

The gala program planned by the club for Sunday afternoon and evening will be climaxed with a dance in the Channel Lake pavilion in the evening.

The races are scheduled to start promptly at 2:30 p. m. There will be a variety of classes, including several outdoor events.

More than 50 entries had already been assured by yesterday, F. S. Pavitt, Fox Lake, executive secretary of the Chain O'Lakes Boat club, reports.

There will be at least seven races, and possibly ten, if the number of entries warrant including them in the program, as is anticipated. Additional entrants are coming here from Milwaukee and Chicago, besides the crack racing drivers who have already signified their intention of taking part, the club announces.

A course is being laid out by the Chain O'Lakes Boat club, which will have charge of the regulations and judging for the race.

A barge 20 by 50 feet will be supplied for the judges.

\$412 in Trophies
At a meeting of the race committee Tuesday evening, trophies with a retail value amounting in all to \$412.00 were chosen for presentation to the winners of the various races.

The race committees state that they are allowing for two special hydroplane races, in the 16 horsepower and 22 horsepower classes. It will be required that boats in the first group be no shorter than 7 feet 4 inches (Continued on Page 8)

Millburn Church Will Have Second Homecoming Sunday

The second annual "Home Sunday" of Millburn Congregational parish will be celebrated this weekend with an 11 o'clock service in the church, a pot luck dinner in the church dining room at noon, and an afternoon program.

"When the Home Pays Dividends" is the sermon subject on which the Rev. L. H. Messersmith will address people of the community and home-comers at the morning service. There will be special music by the choir and a selection by a male quartet.

Dessert and coffee for the pot luck dinner will be provided by the church.

Motion pictures taken at last year's Homecoming will be shown in the afternoon, and colored slides are also to be a feature of the program.

There will be games and miscellaneous entertainment.

Advance arrangements for the Homecoming have been made during the past several weeks under the charge of the following committees: Arrangement, Mrs. Carl H. Anderson, Mrs. Thomas Harness, Miss Ruth Minto, Howard Bonner, Kenneth Denman; program, Miss Lucille Clark, Kenneth Denman, Donald Truax, Howard Bonner; ushers, Robert Denman, Philip Anderson, Elmer Hauser, Milton Bauman.

Publicity, Mrs. Ada King, Miss Lois Bonner, L. H. Messersmith; exhibit, Miss Ruth Minto, Miss Thelma Clark, Lyman Bonner; reception, D. H. Minto, J. S. Denman, L. S. Bonner; dinner, Mmes. Thomas Harness, Lyman Thain, Max Irving and Eric Anderson.

Improvements to be made at the village sewage disposal plant and the drafting of an ordinance for the levying of a sewer tax or rental charge for use of the village sewers will be discussed at a meeting of the village council this evening.

Is Your Self-Respect Worth Anything?

Are you willing to help win the war against Japan? Naturally you will say yes. There are two outstanding things those of us who are privileged to remain at home can do to aid our fighting forces. First, we can work to the limit of our strength and ability, without interruption; second, we can deny ourselves luxuries in order to buy the war bonds necessary to give our fighting men every ounce of equipment and food they need.

While millions of men are facing death and foregoing the pleasures of home and family life, every mother's son of us should put every dollar we can into financing this war, so that by the sheer weight of the equipment we throw into it we will bring it to a conclusion at the earliest possible moment, thereby saving the lives of countless loved ones.

After all, this is our war; our boys are the ones on the firing line; our homes are the ones being saved. How much would life or property be worth if the Japanese army and navy had not been held at bay, and were not eventually demolished? Don't think that in buying war bonds you are in some manner doing someone else a favor; you are the one who is really favored by an opportunity to buy them. Think what it means to the boys at the front to know that the necessary money is given willingly to back them up.

All war loans necessary to knock out the Japs must go over the top with a bang. American bullets and American money are the most discouraging things they can face today. Why should we hesitate about buying that extra bond when the boy with a rifle hits the beach heads without question, not knowing at what moment he may be blown to bits or blinded or crippled for life—and then we quibble about loaning \$25 or \$100 to buy more supplies for him. There is only one answer if you wish to keep your self-respect.

Price Control

The housewife has problems of marketing; the

farmer has his difficulties; the manufacturer wonders how he is going to meet consumer demands; the retailer who seeks to get goods in the face of shortages, wonders how he is going to carry on; and the headaches of transportation, on which we all depend, are particularly acute.

Take the express industry—in addition to facing all the common problems of shortages, it must meet abnormal demands for service. Like the railroads, when other means of transportation fail, it must take up the slack.

When the housewife ships her birthday gift, when the farmer moves his perishable crops, when the factory rushes a piece of equipment to a war job, or when the retailer needs goods in a hurry, they all seek transportation.

The Railway Express Agency illustrates how American business carries on under drastic gas rationing, great curtailment of highway transportation due to rubber and truck shortages and mileage reduction called for by the ODT and other wartime government bureaus, inability to buy new equipment, and lack of parts to maintain old equipment.

One might ask, How is it done? The answer is, By cooperation—cooperation within its own ranks and cooperation and a spirit of toleration and understanding on the part of customers who realize the difficulty of maintaining peacetime efficiency under wartime handicaps. Toleration and cooperation are the American way. By their use, we are winning the war, and by their use we can all lick our domestic problems of production and distribution, and maintain dependable service which the American customer and consumer has always expected and received from American enterprise.

* * *

United They Stand!

Never in the history of American agriculture did the farm owner and operator have to be so well qualified as a business man to make a success of farming. Like all other activity, farming today is conducted under pressure. It is not the easy, peaceful existence many persons like to picture it. It is largely mechanized. In addition to countless regulations and restrictions which complicate its operations, it is subject to political controversy, labor problems, and the weather, which no one can control.

Farming is literally being forced into cooperative action in the marketing and production of crops, as a means of self-preservation, for the farmer alone is almost helpless to cope with the forces that are continually working against him.

News of the Boys...

Mrs. Mary Frances Radtke sends in the addresses of her sons in the service—

Thomas J. Radtke, AMMH 2/c, care of San Francisco Fleet post office; Cpl. John J. Radtke, New York APO 339; Pvt. William R. Radtke, Camp Robinson, Ark.

Mrs. Radtke states that Thomas is a member of the crew of a torpedo dive bomber and has been in action in the Pacific for more than a year. "He was critically injured last winter in bomber crash, but after two months in San Diego hospital he returned to the flat top for action against the Nips. He was in the picture recently shown at the Antioch theater, 'The Fighting Lady.'"

"My son Thomas was in the aircraft that came in with one wheel shot off and crash landed on the deck of the carrier; he was carried off on a stretcher."

She states that he also took part in action in the Aleutians and that he was a member of the crew of one of two planes out of 30 that returned from one raid.

She continues—
"John, or Jack, as everyone knows him, is a corporal and is in Germany yet. He has been overseas for over a year now, in England, France, Belgium, Holland and Germany. He is with the Ninth army, Third division. This is Jack's third year in the service."

"Billy just left for camp last month. He was in the merchant marine service for many months before his eighteenth birthday anniversary in May."

—V—
Pvt. John H. Messing, Keesler field, Miss., is a changed man—he says—

"Although I have been moving around a lot, I still get the paper."

"I never used to read it very much, but I read just about all of it now."

"By the paper, everything in Antioch is o. k. and everybody is working hard."

"The plane on the envelope is a B-24, the type I am studying on."

GAMES AND REFRESHMENTS

EVERYBODY WELCOME

LAKE VILLA

Lake Villa Community Church, Methodist, Ray Pierson, pastor. Church school, 10 a. m. Worship, 11 a. m.

The parsonage family moved in last week and is nicely settled. Mr. and Mrs. Rowland Pierson and son will be the parsonage family with their brother, Ray Pierson, the pastor. The Official Board held the first meeting of the Conference year at the parsonage Wednesday evening.

The Womans' Society of Christian Service will hold its August meeting on Wednesday, Aug. 1 with Mrs. Al Boehm at her home north of Wedges Corners and it will be a picnic on the lawn. Visitors are welcome, dinner at 12 and business meeting at 2 o'clock.

The Sunday school picnic at Fox River Park last Friday was a very enjoyable one. Ten cars took the children and parents. They all enjoyed the picnic dinner and the games which followed.

CEDAR LAKE 4-H CLUB MEETING

Cedar Lake 4-H club of which Mrs. Roy Crichton and Mrs. Leonard Mattson are leaders held a local achievement program Wednesday evening, July 18 at the Cedar Lake school. It was conducted as a typical 4-H club meeting by Jean Hawkins, president; and members responded at roll call with "Things I've learned in 4-H this year." The war effort report was read by Jeanne Burt. Bonds and stamps bought since Sept. 1944 were \$207.70, a half ton of waste paper was sold, also 26 lbs. waste fat. Betty Erickson talked about three different kinds of hems and how to use them, and Jean Hawkins gave a very complete and interesting demonstration on how to

make shoulder pads from milk filter discs. Ann Mattson led and all members took part in bare-foot exercises studied as a health project this year. Jeanne Burt played Beethoven's "Minuet in G" on the piano and Gail Pederson recited a poem on "Cleanliness and Grooming for Growing Girls." The rest of the program was given over to the modeling of the jumpers the girls have made this year, explaining why they chose certain materials, any problems they may have had in making them, and the cost of all materials. This was also a joint meeting of the Lakes Region Home Bureau which sponsors this club. At the close of the meeting the girls served refreshments. The girls will again exhibit these garments at the Lake County 4-H club show to be held at the Viking home at Gurnee on Aug. 15 and visitors will be welcome.

Miss Elizabeth Petru of Chicago is spending the week with her cousin, Mrs. Marie Hamlin.

Mrs. Vernon Sorenson of Waukegan and Mrs. Andrew Cepon of Chicago were guests of Mrs. Lester Hamlin one day last week.

The Fox Lake Cemetery Association will hold its quarterly meeting at the Monaville school house on Thursday evening, Aug. 2. Eva Atwell, Sec.

Mr. and Mrs. Charles Glosser and son, Mr. Clifford Glosser of Maywood called on friends here on Monday.

Lloyd Arthur Atwell had tonsils removed at a Chicago hospital last week and Mary Wolff and Clarence Hansen, Jr., had their tonsils out at St. Therese hospital in Waukegan last week.

Buy War Bonds and Stamps.

"Sure I can be a Nurse's Aid

THANKS TO MY AUTOMATIC RANGE"

"How can I be a Volunteer Nurse's Aid two days a week and still cook for my family? Why, my modern range takes care of that.

"I prepare the food in the morning, slip the complete meal into the oven and I'm on my way.

"While I'm busy at the hospital, the automatic timer turns on the oven... and when I, and the rest of

the family get home, a delicious dinner is cooked to perfection, ready to serve.

"Believe me, I'm glad we have a modern range. It's fast-cooking and marvelously clean. Another thing—it never heats up the kitchen in the summertime, either.

"I think the modern Range is the last word in modern cooking."

"I never did believe in standing over a hot stove all afternoon. Even before I decided to be a Nurse's Aid, I took advantage of the automatic feature of my range. It's simple as ABC. So, if you have an automatic range, make the most of it."

Library News

Few books about the war have interested soldier and civilian alike as much as Bill Mauldin's "Up Front". The cartoons of "Stars and Stripes" fame are reproduced together with lucid comment on their origin and purpose. "Up Front" was presented to the library in memory of Private Walter Taylor.

James Hilton's first novel in four and a half years is "So Well Remembered." It is the story of a plain man in a world where plain men are often called upon to be heroes. The scene is a small industrial town in the British Midlands.

"The Inquest" by Robert Neumann is the gripping story of Bibiana Santis, who in her fanatical hatred for fascism, was willing to sacrifice anything and everything to fight it. Mr. Neumann, perhaps because he so recently learned English, uses an original technique in his novel with powerful and bitter force.

C. S. Forester brings us another saga of Horatio Hornblower in his new historical novel, "Commodore Hornblower." In command of a small but powerful squadron, the Commodore woos the friendship of Russia and Sweden to strengthen Britain's fight against Napoleon.

The restless, turbulent genius of Tolstoy was reflected in his own life as told by Tikhon Polner in "Tolstoy and his Wife." It is an infinitely human story of love and life, of happiness and disappointment, as well as a living portrait of a great man.

CARL SCHREIBER IS FEATURED AT LA SALLE

Friends of the Earnest A. Schreiber family of Forest Park, Ill., and Lake Catherine were pleased to learn that the Schreibers' son, Carl Schreiber, and his orchestra, featuring "Celestial Music," will appear every evening except Sundays in the American room of the La Salle hotel, Chicago.

The orchestra, which has been on tour for several months, played at the Stevens hotel last summer.

Appearing with it on the program at the La Salle are Richard Gordon, tenor, and Glover and Lamea, dance team.

CHANNEL LAKE DANCE EXPECTED TO BE SUCCESS

A good crowd is anticipated at the dance to be sponsored by the Channel Lake Community club Tuesday evening, July 31, at 8:30 o'clock in the schoolhouse. Music will be furnished by Bessie Barnes' orchestra and refreshments will be available.

NELS PETERSENS HAVE BABY BOY

Word has been received of the birth of a son, Peter Melvin, to Mr. and Mrs. Nels Petersen, La Grange, Ill. The baby, who was named for his paternal grandfather, has two older sisters. Mrs. Petersen before her marriage was Miss Elaine Hennings.

RAYMOND GRUIDL'S PARENTS OF SON

Mr. and Mrs. Raymond Gruidl have been receiving congratulations on the birth of a son, Albert Floyd, seven pounds, six ounces, at the Kenosha hospital July 15. The Gruidls, who live at 433 Lake street, also have a daughter, Vivian.

JOLLY JILLS 4-H CLUB MEETS WITH BARBARA EHNERT

A regular meeting of the Jolly Jills 4-H club, was held Thursday evening at the home of Miss Barbara Ehnert. Games were played during the evening and home-made ice cream and cookies was served. Their work for the evening was looking for material for minor projects. Another meeting is being held at the home of their leader, Mrs. Ray Ehnert, today.

RAINBOW GIRLS WILL MAKE "AUTOGRAPH QUILT"

At a meeting of the Antioch Rainbow chapter Monday evening in the Masonic temple, plans were discussed for the making of an "autograph quilt."

The Rainbow girls demonstrated the ritual work of their order for the Antioch Eastern Star chapter at a recent Star meeting.

BARBARA PRINDLE'S ENGAGEMENT ANNOUNCED

Mr. and Mrs. James Prindle of Lake Villa and Winnetka have announced the engagement of their daughter, Barbara Dorothy, to Sgt. Howard Lee Hagemann, son of Mr. and Mrs. Walter F. Hagemann of Trevor, Wis.

ANTIOCH ACES GIVE PROGRAM FOR HOME BUREAU MEMBERS

The home of Mrs. C. L. Kutil was the setting for a program given by the Antioch Aces 4-H Girls' club.

A reading by Charlene Nelson, piano solos by June Petersen and Adella Rentner, and talks on their trip to 4-H camp by Verna Mae Kufalk and Betty Jean McDougall comprised the program.

Refreshments were served by the 4-H girls.

The American Legion auxiliary will hold a meeting Friday evening in the home of Mrs. Ellen Swenson.

A meeting of the Antioch Royal Neighbors was held Tuesday evening.

THEOLOGICAL PROFESSOR TO SPEAK AT ANTIOCH METHODIST CHURCH SUN.

Dr. A. W. Nagler, professor of biblical history at Garrett institute, will be the guest speaker at the 11 o'clock service at the Antioch Methodist church Sunday, July 29. Dr. Nagler has been on the Garrett faculty since 1916, and is an acknowledged authority in his field.

Personals

Fred Peterson and Roy L. Murrell attended a double-header baseball game between the Cubs and Brooklyn in Chicago on Wednesday afternoon of last week.

Miss Doris Giddings, Davenport, Ia., and Miss Peggy Funderberger, Galesburg, Ill., were guests of Miss Geraldine Giddings during the weekend.

Miss Margaret Dunn spent the weekend in Chicago.

Fifteen tables were in play at a card party sponsored by the Antioch O. E. S. Officers' club Thursday evening in the Masonic temple. Mrs. Helen Chapman, worthy matron of the chapter, acted as general chairman.

Mrs. G. R. Bicknell, Chicago, formerly of Channel Lake, was a business visitor here and in Grayslake Monday.

Albert Tiffany and sons Peter and David of Moline, Illinois, spent several days last week visiting relatives and friends in and near Antioch.

Mr. and Mrs. Harry Larson and daughter Vivian of Chicago, spent Sunday with Mr. and Mrs. R. E. Gaston.

Miss Mary Meinke, Bassett, Wis., spent the weekend with Mrs. William Musch and family, Lake street.

Mrs. A. P. Bratrude and sons Donald and Pressly and Mrs. C. E. Mower spent Sunday in Burlington, Wis., with Dr. and Mrs. D. C. Mower.

Mr. and Mrs. R. E. Clabaugh and family, Arlington Heights, formerly of Antioch, were visitors here last Saturday.

Mrs. Clara Shawn, Waukegan, spent several days last week with her sister, Mrs. Otto S. Klass.

Mr. and Mrs. S. J. Handley held a lawn party for a number of Chicago friends July 18 at their home. Among those present were Messrs. and Mrs. Thomas Rich, William T. Rich and son Thomas, and William Maxted, Park Ridge.

Mrs. S. J. Handley has as guests this week her daughter-in-law, Mrs. George Handley, and granddaughters Martha and Ann.

Arden Van Patten of Chicago, spent the weekend with friends in Antioch, while here enjoyed a game of golf at the Chain O' Lakes country club.

Mrs. James B. Alford spent Tuesday in Chicago.

Mrs. Mildred Jackson has been a patient at St. Luke's hospital, Chicago this week. Mrs. Jackson is employed at Kings Drug store.

Mrs. William J. Meyer, Grass lake, is confined to her home by illness.

Otto S. Klass spent Tuesday in Chicago on business.

Mrs. Earle Gibbs returned the first of the week from a visit with her son, Lt. William Mongan, at Goven field, Idaho. Immediately after her return, Mr. and Mrs. Gibbs received a telegram that Lt. Mongan was being transferred to Washington, and expected to be granted a furlough sometime in the near future.

Knickelbein ...

(Continued from page 1)
bat over Germany and German-occupied Continental Europe."

It continued, "The presentation was made here at a special ceremony by Colonel Glenn E. Duncan, Houston, Tex., commanding officer of Lt. Knickelbein's group."

It also quotes the citation, which states that "The courageous devotion to duty and outstanding flying ability displayed by this officer reflect great credit upon himself and the armed forces of the United States."

A second release telling of the Air Medal award was received Tuesday. Lt. Knickelbein was the son of Mr. and Mrs. Edward A. Knickelbein, Bluff lake. He is also survived by his wife, the former Miss Virjean Hook, daughter of Mr. and Mrs. Charles Hook, Grayslake, to whom he was united in marriage June 6, 1942.

Enlisted in 1942
He enlisted in the Army Air corps Dec. 4, 1942, being stationed first at Sheppard field, Tex., and later attending Peabody college, Nashville, Tenn., as a flying cadet. He was graduated and commissioned as a second lieutenant at Jackson. Before entering the service, he was employed by the Commonwealth Edison company of Chicago for a year and a half.

He was born in Chicago Dec. 24, 1922. In 1930 the family moved to Bluff lake, where the family had taken over the proprietorship of Herman's resort. He attended the Grass Lake school; Antioch Township High school, where he was active in athletics and Armour Institute of Technology in Chicago.

The telegram telling of his death was received here July 19. According to information available at the present time, his plane is believed to have collided with that of his flight leader.

Forty employees of the Oakes Products plant in North Chicago enjoyed an afternoon of golf and an evening dinner at the Chain O' Lakes golf club Saturday. The Waukegan Temple club is holding its July outing at the club this Saturday.

b. Total enrollment of pupils exclusive of tuition	274
c. Number of days of school	180
d. Total number days attendance	36,955.5
e. Total number days attendance exclusive of tuition	36,439.5
f. Average daily attendance	205.30
g. Average daily attendance exclusive of tuition	202.43

II. PROGRAM OF STUDIES

Regular classes were held for nine months from the Kindergarten through the 8th grade.

The Kindergarten was operated in the mornings only. The program developed at this level was designed primarily to help the children adjust themselves to other children and adults. They were taught to work and play together and given practice in inhibiting any undesirable tendencies.

From the 1st grade through the 3rd the following studies were covered intensively: Reading, Arithmetic, Spelling, Writing, Health, and Art. Throughout the lower grades much emphasis was placed upon reading both silent and oral. A Nature Study or Science program to suit the grade level was developed from the 3rd grade up through the upper grades.

From 4th grade through the 8th grade History and Geography added to the above list of studies. A detailed study of our form of government, both local and national, was given in the 8th grade.

A period was given to Music in all grades; and throughout the year, the children derived much pleasure from working in either the band, jazz band, or rhythm band.

To comply with the state law, a twenty-five minute period was devoted each afternoon to Physical Education. This program was planned and supervised by the teachers of the various grades and carried on outdoors most of the time.

III. Number of persons between 12 and 21 being unable to read or write

IV. FINANCIAL REPORT—SCHOOL YEAR 1944-45

EDUCATIONAL FUND	
Receipts	\$31,613.62
Expenditures	21,536.62
Balance on hand	\$10,077.00
BUILDING FUND	
Receipts	\$12,784.07

ing raised from \$1.50 to \$2.00. Fifty cents of each license fee will go to a fund to be used to purchase and maintain public hunting, fishing and recreation grounds. The license fee for hook and line fishing will be \$1.00, instead of 75 cents, with 25 cents of each fee to be used to develop public fishing and hunting grounds.

oOo

Our spy system comes up with the info. that the local croqueters are holding forth evenings on the greens at Jim Webb's place and Dick Moran's Fairway grill. Among those who have played recently in informal matches are Walter Darnaby, Joe Panowski, Jim Webb, Ken Ashe and Ralph Fields. Dick Moran has not been playing this year, because of back injuries sustained in a fall last winter.

oOo

The temperature was 100 degrees above zero, Fahrenheit, in the shade spots along Main street Monday afternoon, reliable sources have informed us. ONLY 100?

oOo

Comes now the sad rumor that them power poles ain't gonna be took offa Main st. till after—you know. Seems they're just gonna cut 'em don a little and leave 'em, as, after all, the telephone wires still won't have been moved. . . . ah, well, and here we had visions of a beautiful, glorious, shining "white way" lighting system. But we can dream, can't we?

oOo

Not that this will make you feel any cooler—but the temperature got down to 45 above zero one eve during the Legion carnival.

Boat Race . . .

(Continued from page 1)

and in the second class, no shorter than 10 feet six inches. Hydroplanes in the 22 horsepower class are capable of reaching 60 to 65 miles per hour, and this is expected to be one of the high points of the afternoon for thrills.

Pavitt also stated that "Risky," "Viking," "Chickie IV" and "Apache III" have been signed for a special race in the 175-190 horsepower class. It is likely that Nick Orsini of Lake Catherine will enter his new boat the "Viper" in this event also.

Other races for which arrangements have already been assured are a 103 horsepower event and a 125 horsepower event.

"Free-for-Alls" Planned

There will be a free-for-all race for the Class C 175 horsepower inboards, and another free-for-all for outboards.

Harry Braizell, chairman of the race committee, states that there will also be a "bang and go back" race, which will be something new for these parts. This, Braizell explains, is an automatic handicap race. The boats start their race, then, on the firing of a signal gun, they reverse their course and start back, the first one getting back to the starting point being the winner of the race.

Speed boat racing has already developed a large following on the Chain of Lakes, and it is expected that Sunday's crowd will set a record in line with past events, which drew 4,000 spectators to the Mineola hotel July 8 and 1,500 to Ma Schultz' last Sunday.

Refreshments Available

Sandwiches and other refreshments will be available at the pavilion in the evening, the Lions club states. Music for the dancing is to be supplied by Hank Mate and his orchestra. The dance will start at 8 p. m.

Quinlan . . .

(Continued from page 1)

squad. Dr. R. D. Williams was the physician in charge.

Her son, George Winchell, was called here from Milwaukee by word of the accident.

Heat Exhaustion Victim

Two calls were made by the squad to Lake Catherine Sunday at 8:10 and again at 9:40 p. m. to supply oxygen to Karl Gortitz, 50, of Chicago, a victim of heat exhaustion and high blood pressure.

The case was under the supervision of Dr. I. L. Breakstone.

Child, 5, Dies

Stanley Carne, 5, a pupil at Miss West's school on North avenue, passed away Sunday morning at 10 o'clock in Victory hospital, to which he had been removed Saturday afternoon at 4:40 o'clock by the Rescue squad.

Stanley, who was the son of Mr. and Mrs. H. Carne, Deerfield, Mass., had been under the care of Dr. Breakstone. He had been at Miss West's for the past two years because of a spastic condition, but was reported to have shown considerable improvement and to have been in good health until Friday when, Miss West stated, the child appeared to have difficulty in swallowing his food.

A second call was paid by the physician Saturday morning. The latter part of the afternoon when he suddenly became much worse, a call was put in for both the doctor and the Rescue squad.

His parents were summoned from Massachusetts, but were unable to reach Waukegan before his death.

Funeral services were held Wednesday afternoon at 2 o'clock in Wheaton, Ill., the home of his grandparents, with interment in the family plot in a cemetery there.

The Rescue squad was called July 17 at 4:05 a. m. to provide ambulance service for a patient who had become suddenly ill and had been rushed to the residence of Dr. Breakstone.

News of the Boys . . .

(Continued from page 1)

Mountain division and other IV Corps units, took 58 pontoons to span nearly 900 feet of swiftly moving water which had swept away three pontoons and neutralized ducks. On hand to cheer the boys during final hours of the tremendous task, when even cooks and supply sergeants pitched in to help, were Lt. Gen. Geoffrey Keyes, II Corps commander; Maj. Gen. Willis D. Crittenden, IV Corps commander, staff and division generals by the dozen, batteries of photographers, more correspondents than you could shake a typewriter at, and a stalled army, biting its nails and racing its motors.

When manpower was short, General Keyes took a hand at directing traffic, and officers of the battalion turned truck drivers. Like the breaking of a dam, the completion of the bridge released thousands of trucks, tanks, guns, half-tracks and other vehicles which had piled up bumper to bumper for miles around waiting to cross the river and follow up the infantry.

The Fifth army is now being broken up and is expected home in the near future. Pvt. Hills' wife, Ruth, and daughter, Bonnie are spending the summer with the Walter Hills family here.

Pvt. Edward C. Baumann, New York APO 758.

Sgt. William A. Johnson, APO 75, San Francisco.

—V—

Forrest West, FOC 3/c USNR and Mrs. West left Tuesday for Kansas City, Kansas where they will be guests of Mr. and Mrs. James Cunningham.

—V—

Capt. and Mrs. Peter J. Hurtgen and son, Peter III, left last Friday to visit relatives in La Porte, Ind., after spending three weeks with Mrs. Maud Brogan Hurtgen. Capt. Hurtgen, who had been stationed at Churchill hospital, Oxford, England, specializing in plastic surgery, returned to this country aboard the Queen Mary, on the same trip on which Sgt. James Mapletorpe returned.

Capt. Hurtgen reported this week at Camp Atterbury, Ind., for reassignment.

Sgt. Robert Hurtgen, who has been at Fort Leavenworth, Kans., for the past three years, phoned his mother recently from Milwaukee, enroute for a furlough, from which he was recalled before it had been completed. His work previously consisted of interviewing and classifying men who were entering the service. He is now engaged in "re-processing" returning troops.

—V—

Cpl. Morris P. Verkest, APO 403, New York, has hopes, he says—

"I sure hope I won't have to change addresses any more. At the present time I'm sweating out a boat to the U. S. and a discharge. When I will get out is anybody's guess. It may be two months, or even six. I have 92 points myself, but most of the fellows in the outfit have 100 to 120.

"I hope everything is fine in Antioch, and maybe I'll see it soon."

—V—

Sgt. Bernard Sherman has been spending the past few weeks visiting his mother, Mrs. Lucy Himens, and other relatives here.

—V—

George W. Bartlett, AH 1/c, care of Fleet post office, San Francisco, sends in his request for the paper in compliance with a recent postal ruling with regard to the sending of periodicals via Fleet post offices, and adds, "I have enjoyed reading every copy and I might add that it has come through with surprising regularity. Things here, I believe, are on their way back to normal. They lifted our curfew here a few days ago. We all have it pretty nice here, but I guess there isn't anybody who would want to trade this for home."

—V—

From Robert H. Ellis, S 1/c, San Francisco Fleet post office—

"I hope that this letter will find everyone at the News office in the very best of health.

"I do not exactly know what to write about, but I will try and write a few lines to express my feelings in regard to the receiving of the Antioch News.

"I hear that we have to request the paper from now on to receive it. So I wish you would kindly keep sending it to me if possible.

"I really enjoy receiving it very much, because it helps me keep an account on where all of the other boys from home are at. It is really a great pleasure to receive it. It sort of keeps you in contact with the old town. I wish you would put in a few lines on the doings at the bowling alley.

"I have been aboard my ship now for quite a few months, but as far as I have come I have not seen action. Not that I care to see it too much.

"I am striking for gunner's mate. I expect to receive my rating in a month or so. I just have to complete my texts."

William Nielsen, CCM, San Francisco Fleet post office, notifies the American Legion—

"In compliance with recent regulations, I am writing that I have been receiving the Antioch News and would appreciate it very much if you would be kind enough to continue sending it to me.

"It is really a pleasure to be able to read about the 'old home town' and all one's friends in the home and in the service.

"There isn't a great deal to write about from here. Everything is rather quiet and uneventful, due to being so far from the battle front. I've had the good fortune of being promoted to chief petty officer recently. Also, I'm in hopes that I'll be on my way home by Christmas, if not a little before, and most certainly do not wish a disappointment in that.

"In closing, I wish to express my sincerest gratitude to you and the 'News' for your kindness."

—V—

"Well, I suppose you thought I got lost out here, but I didn't," says Earl C. Cape, GM 3/c, care of San Francisco Fleet post office.

"It has been a long time since I wrote to you, but we have been pretty busy out here. I had the luck about two weeks ago to run into Fred Hoekstra. We had a good time the little while that we were together, and talked about the good times we had back in Antioch.

"I just received one of the papers and think they are swell. I hope that you can keep sending them to us.

"My brother and I just missed seeing each other at Leyte and also at Luzon. I hope that some day we can meet. I was also near the Osmond boys for a while, but didn't get to see either of them.

"I heard that some of the other kids from around town are near here, but we can't get to see them.

"I also hope that they will come out to the ship, because we can't get off very often.

"I want to thank the Legion and also the Antioch News for the paper."

—V—

PAUL NIELSEN IS NOW "CIVILIAN FIRST CLASS"

Paul Nielsen, fireman first class, is now a "civilian, first class," he reported in a call at the Antioch News office Tuesday.

He received a medical discharge at Oakland, Calif., July 10, after serving in the navy for 20 months and in the Southern Pacific area for five months. He arrived here July 13.

He is one of four sons of Mrs. Anna Nielsen, State Line road, who have been in the service.

S/Sgt. James is still in Belgium; S/Sgt. Harold is on Okinawa, and C. William Nielsen, CCM, is in the Admiralty Islands.

A younger brother, Nels, is at home. There are also three sisters in the family.

Treasury Department Says "Thanks!" for Aid in 7th War Loan

To the Publisher:

Your excellent cooperation helped make the Seventh War Loan the most successful financing ever known. Raising \$26,313,000,000 against a quota of \$14 billion is a great tribute to the American people—it is an achievement of which they have every right to be truly proud.

Final figures recording newspaper cooperation are not yet ready. However, preliminary estimates indicate that a larger volume of advertising news and editorial support was given the Seventh Drive than any previous one. This signifies again that the sale of War Bonds keeps pace with the support given each drive by the press of our nation.

Many factors operated against your local War Finance Committee during the Seventh Drive, especially with regard to news. Such events as victory in Europe, President Roosevelt's death and a new president taking office, the San Francisco Conference and many new governmental appointments, etc. overshadowed the drive for many days.

Very few newspapers, however, permitted those history making events to crowd the news of the mighty Seventh War Loan off their front pages and the American people kept right on buying War Bonds to the limit of their ability.

From the very beginning newspapers of the nation have recognized their importance and responsibility in this great, voluntary war financing program. Without exception there is high praise of the press by the 6 million volunteer workers who have carried the War Bond selling job right into the homes of the American people. A free press thus serving the cause of a free people should give every American a satisfying reassurance of the future. It is a record of accomplishment of which every newspaper man must feel proud.

On behalf of Treasury officials and the Allied Newspaper Council, I want to thank you and your associates most sincerely for your outstanding help in making the Seventh War Loan a great success.

Most cordially,
S. George Little,
Special Consultant
War Finance Division

Hand Made Neckties

MARY SECOR KOHLER
"Necktie Mary"
Round Lake Beach
Rt. 1, Lake Villa, Illinois

Enacted through the efforts of Secretary of State Edward J. Barrett, a veteran of both wars, a new law provides that all Illinois members of the armed forces who are home on sick leave or military furlough, may for a fee of fifty cents, obtain a windshield sticker which will act as a temporary permit in those cases where regular automobile plates have become obsolete. The permit is good for thirty consecutive days and they will be issued until the termination of the war with Japan.

Another section of the same law permits discharged veterans upon presentation of proper credentials, to

purchase automobile license plates for their vehicles for the period of July 1 until the end of the year, for one dollar.

Varnishing Floor

Wood surfaces which have never been varnished, and which have had considerable service are practically certain to have become more or less discolored, at least in spots. If they are to be coated with clear varnish, such surfaces should be well sandpapered, until the color tone is even, and the varnish then applied.

A Good Place to Meet Friends

No need to pace back and forth while you wait for a tardy friend. Plan to meet in our drug store where a refreshing coke or tasty soda in pleasant surroundings helps pass the time.

There is an old saying—

Never think of a legitimate price as exorbitant, for long after it's forgotten, he performance of the work is remembered, whether it's a tire, battery or mechanical work you need. Go to a reliable dealer, allow him to use his judgement to make corrections for which he is trained. He's your doctor but you must have faith in his ability.

Watch our corner for improvements this fall, it will welcome young and old from the East, South and West to Antioch

Peace Lutheran church—Services Sunday at 10:00 a. m. On August 5 and 12 the services will be in charge of Student Karl J. Otto of Wauwatosa. The Rev. Rudolf P. Otto is to attend the Lutheran Synod of Wisconsin and other states at New Ulm, Minn., from August 1 to 6. Mrs. Otto and children will be guests of her mother, Mrs. Lydia Stueb at Kewaunee, Wis., for that time.

Mr. and Mrs. David Kimball entertained Mr. and Mrs. A. C. Holmes of Genoa City for the day Sunday.

Mr. and Mrs. Elmer Rasch had as their guests Sunday Mr. and Mrs. Ted Letting and daughters from White-water.

The W. S. T. S. of the Wilmot Methodist church and members of the church Sunday school held a picnic at Fox park on Thursday.

Mrs. Fred Seitz, Paddocks Lake, Mrs. William Kavanagh, Mrs. Bertha Mooney and Miss Margaret Schlax are members of the committee in charge of a card party to be held at the Holy Name church hall on Sunday evening, Aug. 5.

Forty-five members of the Pacey families gathered at Echo park, Burlington for the annual Pacey reunion on Sunday, Edward Pacey from Omaha, Neb., was here for the occasion and is staying at the home of Mr. and Mrs. Cyril Pacey until Wednesday.

Mrs. Etta Winn, Kenosha, is a guest this week of Mrs. Hattie Pacey.

Pfc. Frank Rausch sent a telegram to his sister, Mrs. Wallace Miller Saturday that he had arrived from overseas in New York. He is expected in Wilmot on Thursday.

Mrs. William Rush left Sunday to visit her sister, Kate Sobbe in Wheatland after a visit of several weeks with her daughter, Mrs. Josie Johnson in Wilmot.

Mr. and Mrs. Albert Geschke and children from Chicago were Sunday guests of Mr. and Mrs. Wallace Miller.

Mr. and Mrs. Mathew Thom, Bernard, Philip and Herbert Weidt of Brighton were dinner guests Sunday of Mr. and Mrs. Gus Neumann.

S/Sgt. Robert Mooney accompanied by his mother, Mrs. Bertha Mooney and Mrs. Charles Schultz went Maren-go Sunday where he joined another couple to drive to New Mexico. He has been home on furlough for several weeks.

Mr. and Mrs. Martin Jerde and family spent Sunday evening with Mr. and Mrs. William Quake at Genoa City.

Dan Fleming, Kenosha, an uncle of Cpl. Henry Easton was an overnight guest of Mrs. Henry Easton and daughter Sunday.

Martin Jerde and sons have been painting the Masonic temple.

Rt. 173 at Adolph's Channel Inn, Corner

I see little Johnny Green
is back

Time goes so quickly . . .

Before you know it, the runty boy in knee pants
has sprouted into manhood.

The freckle-faced girl in pigtails is a stately
woman, walking to the altar on her father's arm.

The "baby of the family" is packing up for his
first year at the University.

Time goes so quickly . . .

You know this to be true, but don't let yourself
ever forget it.

Keep it in mind, particularly, every time you
look at a crisp, new War Bond you've just bought.

Keep it in mind every time you count over the
Bonds you own—the E Bonds with your name
on them and your Uncle Sam's promise to pay
you back \$4 for every \$3 in ten short years.

Before you know it, you'll be living in the time
when those Bonds are coming due for their full
value.

And you'll be doing the very things you dream of
today as you put your money into Bonds.

You will—that is—if you've held on to your Bonds.

Remember . . . Time goes so quickly.

War Bonds—to have and to hold!

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN by
the Board of Education of School
District No. 34 in the County of Lake,
State of Illinois, that a tentative bud-
get and appropriation ordinance for
said School District for the fiscal year
beginning July 1, 1945 will be on file
and conveniently available to public
inspection at the Otto S. Klass store
from and after 9 o'clock a. m., the
28th day of July, 1945, at Antioch,
Illinois in this School District.

Notice is further given hereby that
a public hearing on said budget and
appropriation ordinance will be held

at 8 o'clock P. M., the 29th day, of
August, 1945, at the Antioch Grade
School in this School District No. 34.
Dated this 26th day of July, 1945,
Board of Education of School Dis-
trict No. 34 in the County of Lake,
State of Illinois.

By Myrtle Klass, Secretary (51c)

Saved Fats

There's nothing new about saving
kitchen fats in wartime—Martha
Washington and other good house-
wives of Revolutionary war days
carefully skimmed off the fat and
put it to good use back in 1776.

Gluing Wood

For best results in gluing wood,
both the glue and the wood should
be warmed to about 75 degrees Fah-
renheit.
